klesis institute

responding to God's call

What We Do
The goal of Klesis Institute is to help individuals and churches respond to God's call. We do this by providing biblically grounded resources relevant to the modern context.

These resources include our new journal, *InterSections*, other print materials as well as occasional seminars and workshops.

Who We Are
Klesis is a division of CommAsia Australia Pty Ltd, a Melbourne-based company founded, owned and operated by Christians.

Spiritually nurtured among non-denominational Churches of Christ, we are committed to proclaiming the good news of Jesus Christ and upholding Scripture as the final authority for Christian teaching and daily living.

To ensure our financial viability, we generally operate on commercial terms. However, because of our strong ministry focus we try to keep our prices as low as practicable.
